RELEVANT WORK EXPERIENCE

Software Engineer, Freelance - Remote   **Oct 2022 - Present**
- Design, develop, update, and maintain fully responsive web applications to meet client specifications.
- Current Clients:
  - **Vain Mainstream - Indie Rock Musician - vainmainstream.com**   **Oct 2022 - Present**
    - Optimized audio and image compression resulting in 20% faster website
    - Update weekly with new audio and video tracks as they are released by client
    - Support client's social media campaign with Google Analytics data
    - Single Page Application
    - Progressive Web Application
  - **Sam Hahn Travel - Travel Agency - klong75.github.io/sam-hahn-travel**   **Feb 2023 - Present**
    - Improvements over client's current site in responsivity, page load time, and functionality.
    - Single Page Application
    - Progressive Web Application

Web Development Boot Camp Teaching Assistant, 2U - Remote   **Oct 2022 - Present**
- Assist with instruction of the Full Stack Curriculum with a focus on HTML, CSS, JavaScript, React, MongoDB, Express, and Node.
- October 2022 - April 2023
  - Planned and facilitated bi-weekly homework help sessions based on student need resulting in a 15% increase in student homework submissions, contributing to a graduation rate approximately 20% above the program average.

1st & 2nd Grade Teacher, Austin Discovery School - Austin, TX   **June 2020 - June 2021**
- Develop and implement lesson plans for all subjects across two grade levels.
- Used no-code platform Seesaw, in conjunction with Clever and several other learning apps, to develop an innovative system for virtual learning, allowing students to learn from home with minimal adult support resulting in a 25% increase in assignment completion.

EDUCATION

Certificate in Full Stack Web Development
University of Texas   **Austin, TX**

Bachelor of Arts in Theater
Truman State University   **Kirksville, MO**
